Tremble

Author's Notes:
Day twenty of the thirty-day drabble challenge!

A kiss, forbidden and desired. Strong young fingers tangling in hair.

Quickening breaths, the sudden softness of tongues. Bright edge of incisors across sweaty, willing flesh. Rising flush.

Shush of cotton. Rasp and purr of brass zipper teeth. Rustle of denim. Exhilarating slap of cool night air on newly-exposed skin.

Trembling.

Muscle on muscle, bone on bone. Need meeting need and building.

Voices: "Want you..."

"*Yes*"

"Love you..."

"Please..."

Words begin to slip, slur in throats grown hoarse. Animal sounds in the darkness. Calloused hands grasp each other tight. Steel-string nerves plucked hard and thrumming.

Surging.

Shattering.

Release.

Consummation.

Completion.
